OCTOBER

Newsletter

MESSAGE FROM THE PRINCIPAL

Our dear parents, we greet you all in the name of the sovereign Lord. We do hope that all is well with you and everyone else at home. This month of October has been epic and intense. This newsletter has the detailed account of all that happened. Personally, my greatest event of this month was the National Math Contest where 3 of our students emerged top. Enjoy as you read on!

MESSAGE FROM THE DOS

With the end of year exams drawing close, we are doing our best to help all our students improve especially in their weaker subjects. For this, we have introduced compulsory evening classess and practicals for the students. That means extra working hours for our teaching staff who are more than willing to fulfill this great cause. We encourage you to support your children in the best way that you can as well. Thank you!

UPCOMING EVENTS

20 Nov – 10 Dec 2019

END OF YEAR EXAMS

11 Dec 2019

TERM ENDS. DEPARTURE OF STUDENTS.

OUTSTANDING STUDENTS

BEST P.7 MOCK STUDENT

Ochola Alfred emerged top student in the Mukono Mock exams. The 10 year old received a cash prize of 30 M UgX from the district RDC as a token of appreciation and another cash prize of 700,000 UgX from the school in the same regard. He scored distinction 1 in all the four subjects with a total of 4 Aggregates. In an interview he said he attributes his success to God, to his parents and to the teachers who have all supported and guided him. His dream is to become a global neuro-surgeon.

BEST IN NATIONAL MUSIC COMPETITION

Claire Nyanzi, a beautiful and talented P.4 student, also Alfred's best friend emerged winner in the just concluded national music competitions held at the National theatre. She beat 200 other competitors from 40 schools nationwide to win the grand cash prize of 75M UgX and a fully paid scholarship to the prestigious G-Realm school of music to advance her music career after her PLE. Our school is proud of these two prodigees and as such we have granted them full paid scholarships till they finish their course of primary school.

TOP 3 IN NATIONAL MATH CONTEST

Alaire, Pifu and Chos, all students of Sample School Primary School emerged 1st, 2nd, and 3rd respectively in the just concluded national math competitions 2019. These three scored unbelievably high marks and set new records of 98%, 95% and 90% which marks were never recorded before in history, the highest being 78% since 1982. Because of this excellent performance, the national math council offered them a full paid scholarship to the UK Technology school to further their studies.
